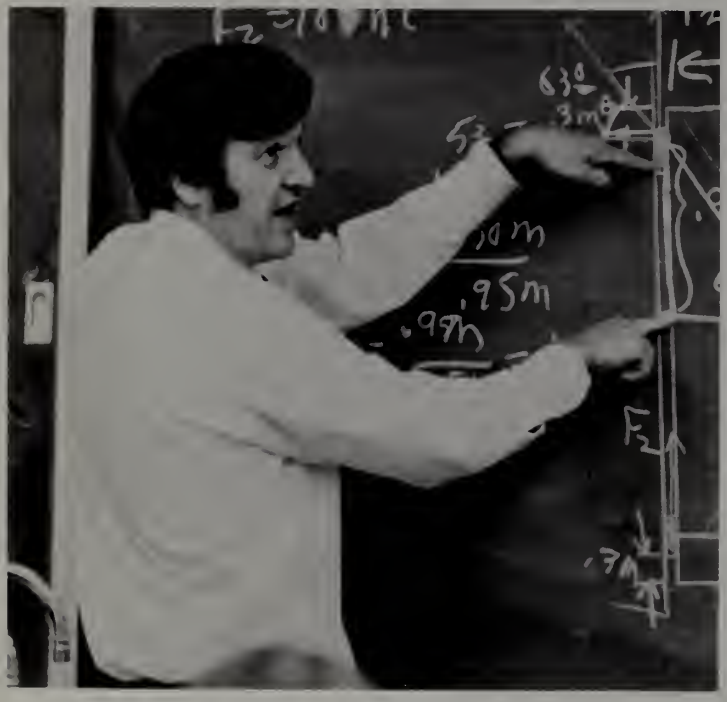
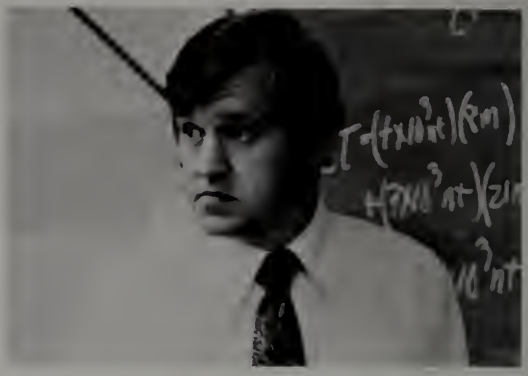
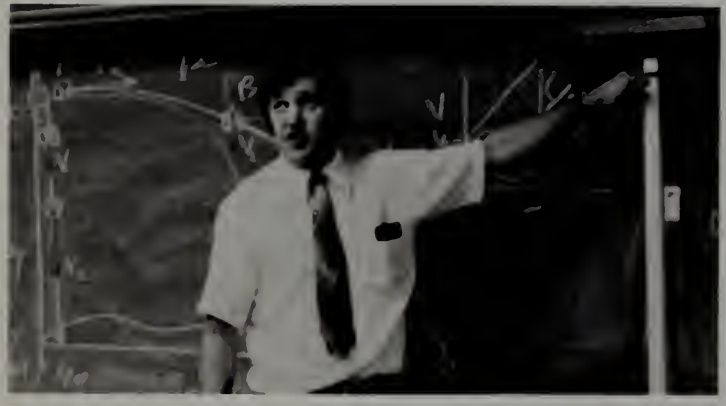
Dedicated to:







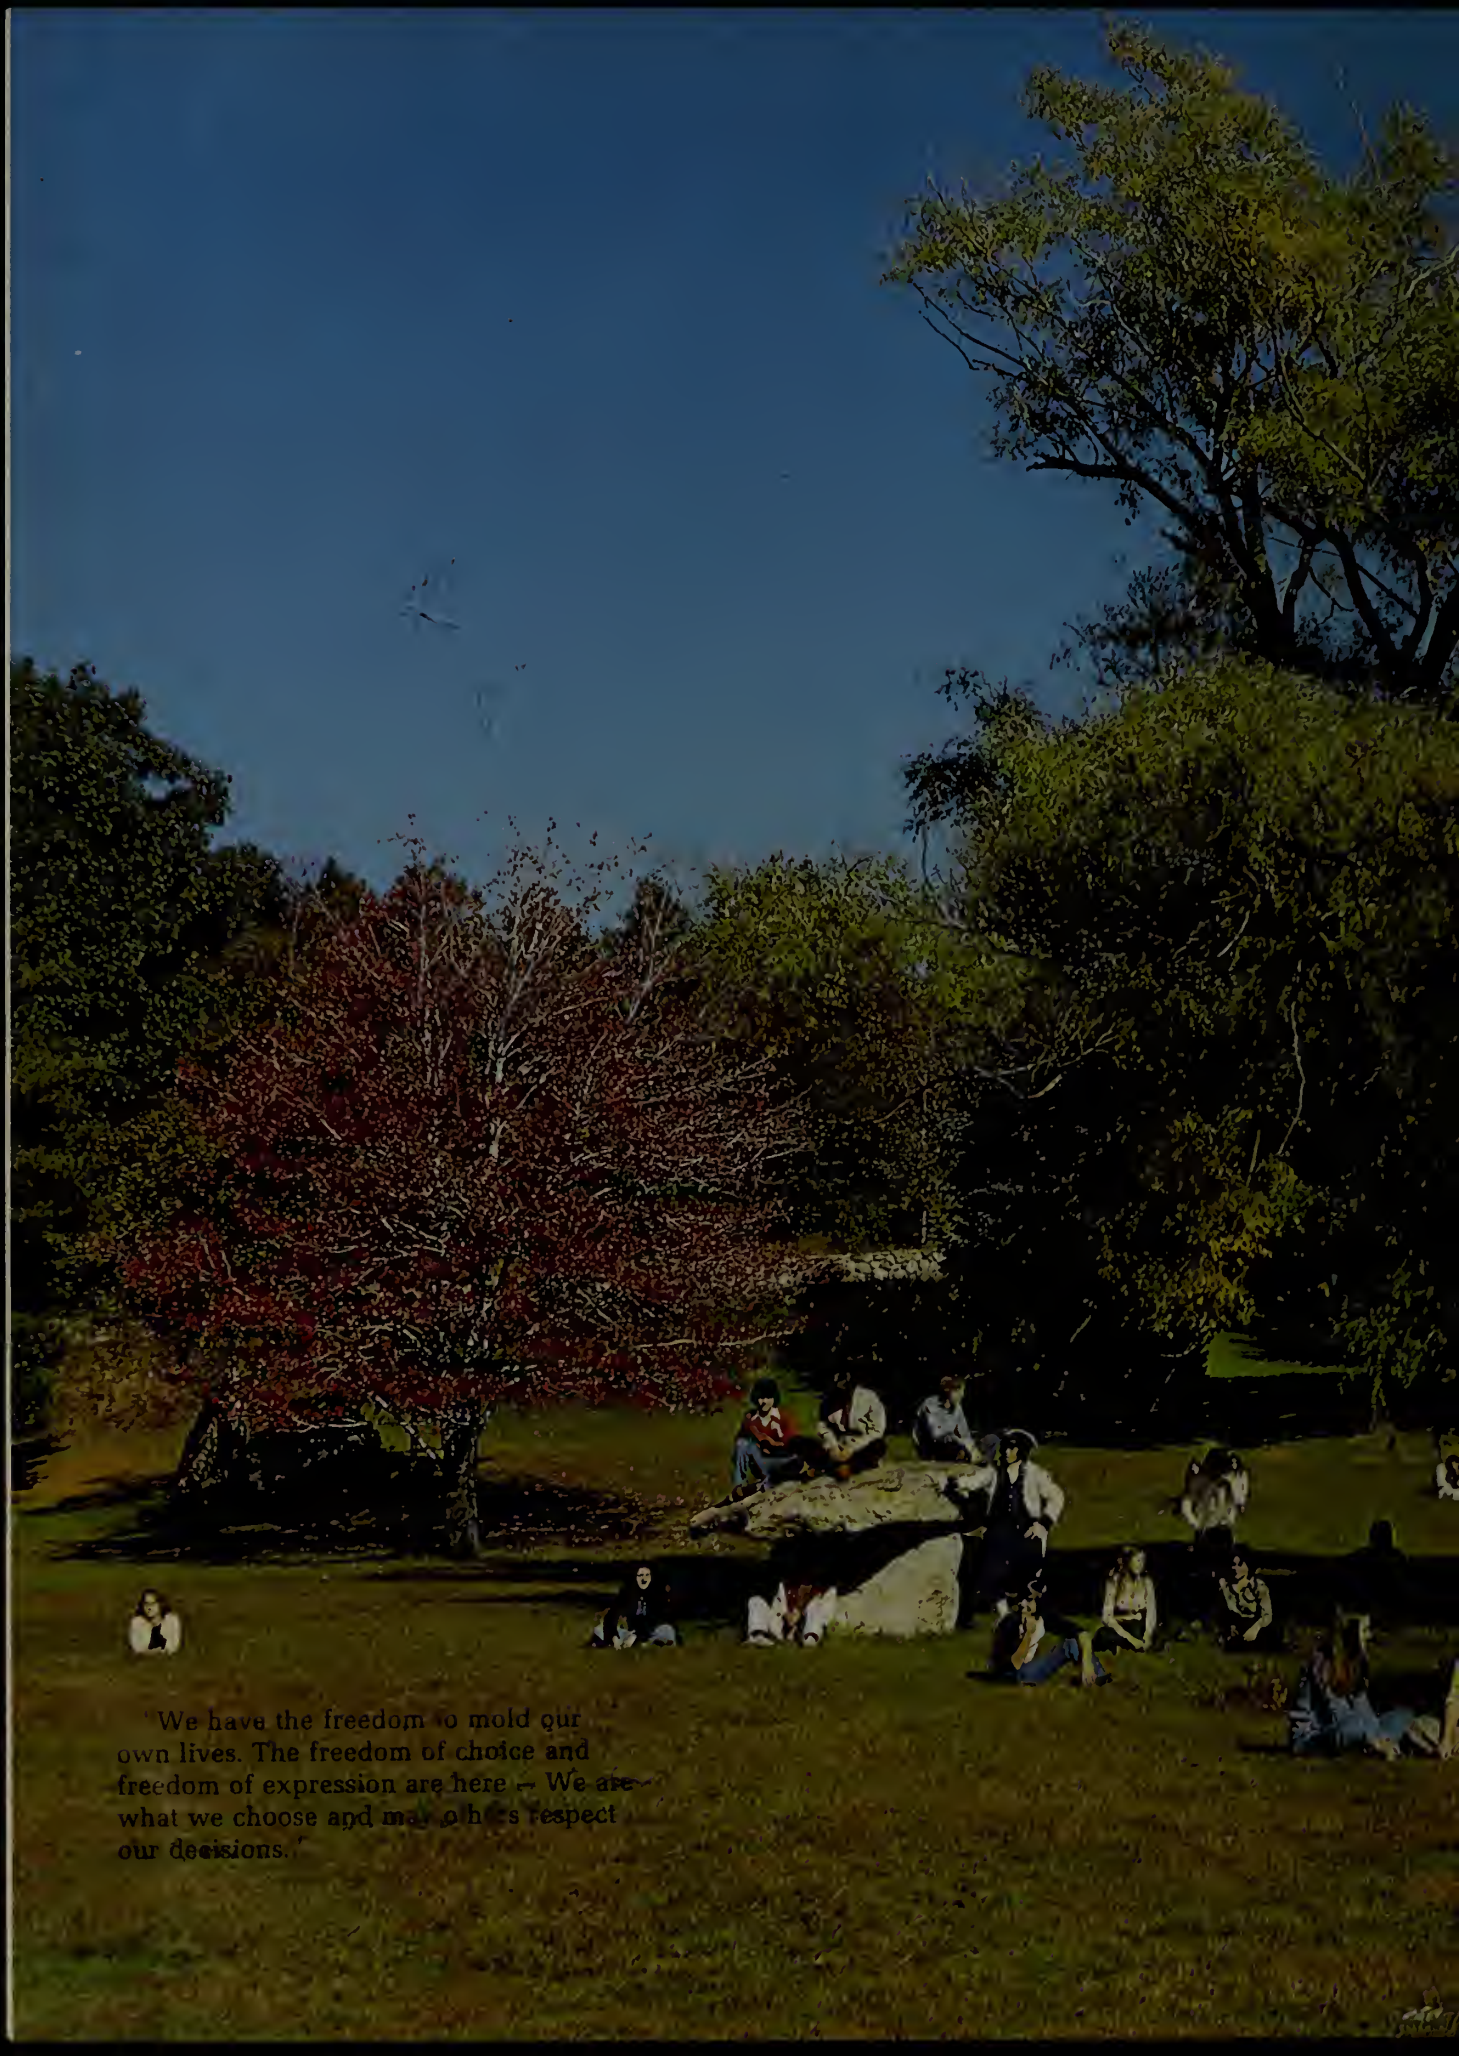
Throughout our life we have learned that there are many different kinds of people among us. When we ponder on all those we have known, a few stand out in the crowd because they left a larger imprint on our lives. Some of these people are exceptional to us because of one characteristic or ability that is long remembered. The most treasured is the person who has many such qualities, being concerned, talented, and humorous.

With this thought in mind, we would like to dedicate our 1976 Yearbook to Mr. Anthony Markvenas, a man whose concern with people is clearly evident to all those around him.

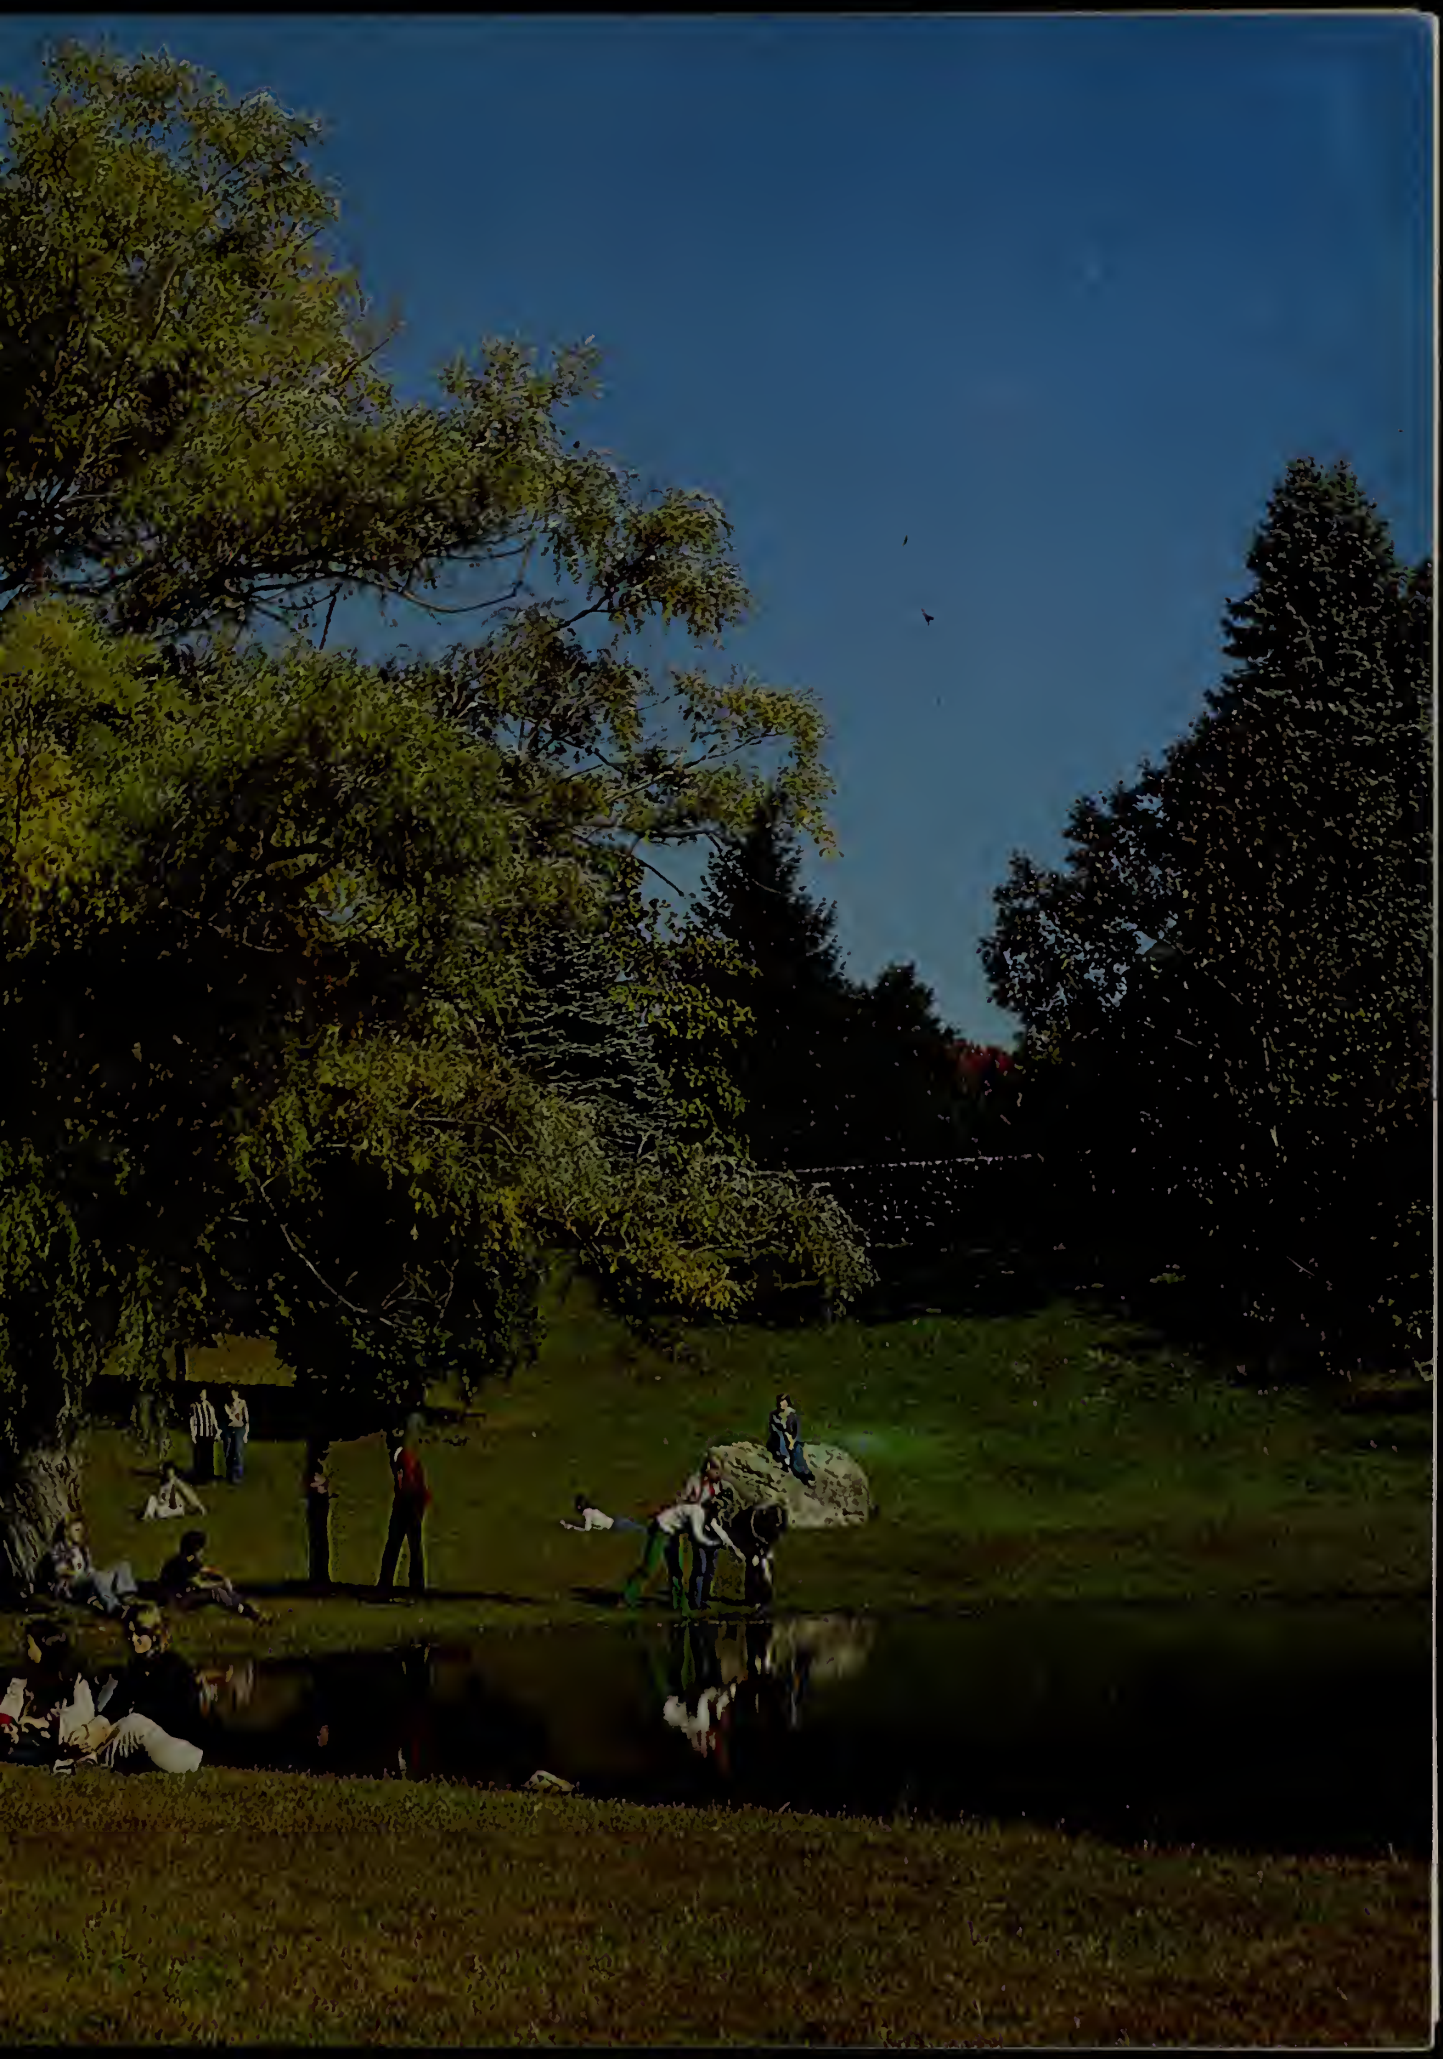
Mr. Anthony Markvenas

BOSTO

Faculty



'We have the freedom to mold our own lives. The freedom of choice and freedom of expression are here — We are what we choose and may others respect our decisions.'



The young do not know enough to be prudent, and therefore they attempt the impossible — and achieve it, generation after generation.

Pearl S. Buck

Dr. Edward Kelleher, Superintendent

To The Members Of the Class of 1976:

Each year as we receive our Yearbook we pause to reflect on how quickly the four years that we have known the Graduating Class have passed. This year certainly is no different. The Spirit of '76 will long be remembered as just that – a Class with tremendous pride, enthusiasm and Spirit!

We remember your Booster Day victory in '73 and your near miss in '75. We remember your tremendous effort for Spirit Week in '76 and your victories in both '74 and '75 – and how appropriate these were for the Spirip of '76!

The Spirit of '76 has made its school a better one by its hard work and example. The revitalized school Spirit we have observed during the past four years can be attributed, to a great extent, to the Spirit of '76; for this we are truly indebted. We can only hope that your enthusiasm and Spirit will always remain with each of you in the endeavors which lie ahead.

Good luck, good Spirit, and Goodbye.

J. Robert Vail,

SUSAN DONOVAN

"For what is life? It is even a vapor, that appeareth
for a little time, and then vanisheth away."

The 1976 *Freedom* recounts many happy occasions and brings back many fond memories. Unfortunately, there were sad moments, also. We cannot forget the death of Susan Donovan a few months after the start of our Sophomore year.

Susan enjoyed life to the fullest. Though quiet, she shared many happy times with her family and friends. Most outstanding was Susan's ability to share each moment of her life with friendship.

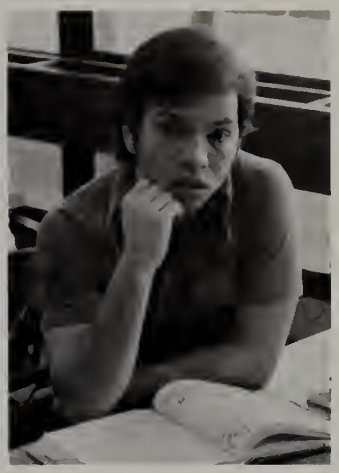
Susan's courage and friendship affected each individual who knew her, and for them Graduation will be a bit less happy. Let us remember, however, that Susan will continue to be in our hearts, minds, and "The Class of 1976", as we inspire others to reach fulfillment and to share our appreciation of Life.

"JACKIE OF BRAZIL"

"Though you return to Brazil; You will still be in our hearts – "

Your Friends

Jaime Arcila
Our Colombian A.F.S'er



Before I came here, I did not know how to love people or have feelings, to cry for people because my have to leave them, their smiles and all their love they gave me. I'll take home a little of all of yours, I know my heart will stay here forever.

Los quiero con todo mi corazón

Jaime.

OUR THANKS TO:

The Class of 1976 would like to extend its appreciation to Mr. Stephen Ottoson, for his patience and help during these past years. His guidance of our activities has made them memorable.

The Class of 1976 also would wish to extend its appreciation to Mrs. Holly Morrel for her sincere interest and valuable counsel of this past year. Her effort and help has made our Senior year treasured memories.
